FEATURING

TWO DAYS OF PROGRAMMING

Designed exclusively for job shop stakeholders to find the latest advancements to help excel and discover new ways to create, connect, and manufacture.

DAY ONE offers insights and education with an industry roundtable and panel discussion with manufacturing leaders. Lunch and networking are included.

DAY TWO provides visitors a deep dive into the Top Shops benchmarking survey data. Learn from industry experts and Top Shops award winners to find out what makes a shop rise to the top and how your shop stacks up against the competition. Lunch and networking are included.

SPONSORSHIP BENEFITS:

- **BRAND DEVELOPMENT:** High-visibility brand alignment on promotional collateral.
- **LEAD GENERATION:** Complete post-event list of all registrants. Participants include the primary decision makers – owners, executives, managers of job shops and contract manufacturers.
- **NETWORKING OPPORTUNITIES:** Connect with a highly active, influential audience of machine shop executives.
- **ONSITE BRANDING:** Top Shops sponsors will receive onsite branding at both days of programming.

Sponsorship options deliver high value opportunities to connect directly with leaders at active machining and metalworking facilities. Get your brand in front of owners, operators and executives that are looking to improve their business by evaluating and investing in new technologies.
